Commissioning and Configuration

free@home: How to set up a myABB-LivingSpace account?

If you want to access you free@home account remotely, the easiest way is to acquire a myABB-LivingSpace account. By connecting this account to your System Access Point, you can easily reach and control your free@home system with your smart device, wherever you are (given that you have an Internet connection to your smart device).

Please check our video tutorial on how to set up myABB-LivingSpace account in [free@home:](#)
